Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

INTRODUCTION
and GENERAL INDEX

Might Directories, publishers, present to subscribers and the general public, this, the latest edition of the Metropolitan Toronto City Directory.

Confidence in the growth of Metropolitan Toronto's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Metropolitan Toronto to the world.

The enviable position occupied by Might Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Metropolitan Toronto Directory will fulfill its mission as a source of authentic information pertaining to the city.

THREE MAJOR DEPARTMENTS

The three major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper, it represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. This section also contains a special Classified Business Directory which lists the names of the more progressive firms and individuals arranged in alphabetical order under appropriate classified headings to further emphasize their products or services.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident of Metropolitan Toronto and the name, official personnel, nature and address of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on green paper, is the third major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes and the designation of telephone numbers following the name of the householder and/or firm as furnished us on our canvass.

MUNICIPAL PUBLICITY

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational centre. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Metropolitan Toronto.

Respectfully, The Publishers

MUNICIPAL GOVERNMENT IN METROPOLITAN TORONTO

This article deals with the relationship between local (area) governments within Metropolitan Toronto and the Metropolitan Toronto Corporation, and in particular the extent to which powers are vested in each: The Metropolitan Council and the local Councils.

Based on the recommendations of the Ontario Municipal Board, under the chairmanship of Lorne R. Cumming, Q.C., in 1953 the Ontario Legislature enacted the Municipality of Metropolitan Toronto Act, which constituted "the inhabitants of the Metropolitan Area as a body corporate under the name of the Municipality of Metropolitan Toronto". Thus a separate corporate municipal entity was created with specific powers. It was a federation of the 13 existing municipalities: the Townships of North York, Scarborough, Etobicoke, York and East York; the Towns of Leaside, Mimico, New Toronto, and Weston; the Villages of Long Branch, Forest Hill and Swansea, and the City of Toronto.

The 13 local Municipalities continued to exist as autonomous municipal entities retaining considerable powers and responsibilities. In those early years, of the 24 members of the Metropolitan Council, the City of Toronto had 12, and the suburbs collectively had 12, each represented only by its Chief Executive Officer (Major or Reeve). An essential characteristic of the Metropolitan system is that members are not elected directly to Council but become members of the Metropolitan Council by virtue of election to office in their local municipalities. Members must be responsible to and responsive to both the local and metropolitan citizens.

During the first ten years of its existence Metropolitan Toronto's achievements were considerable, but disparities and inequities became evident, and particularly in two areas; financially and in representation on the Metropolitan Council as the major growth was occurring in the larger suburbs. The only major change in responsibility was in 1957 when the 13 local Police Departments were amalgamated to become the Metropolitan Toronto Police Department.

In 1963 the Provincial Government appointed Dr. H. Carl Goldenberg, O.B.E., Q.C., as a Royal Commission to make an assessment of the Metropolitan government and report thereon. Submitted to the Cabinet in June 1965, the Report contained a number of important and far-reaching recommendations. Some were accepted, others adapted. The result was the first major change in the organization and the degree of responsibility of the Metropolitan Toronto Council, embodied in a major amendment (Bill 81) to the Metropolitan Toronto Act in 1966.

Effective January 1, 1967, the Municipality of Metropolitan Toronto was reconstituted from the 13 original municipalities to the present 6: the Boroughs of North York, Scarborough, Etobicoke, York and East York and the City of Toronto. Reorganization of the Metropolitan Council, on a more equitable basis of representation by population, increased the total number from 25 to 33, including the Chairman of Council. Collectively the Boroughs had 20 members, the City of Toronto's remained at 12. The Metropolitan School Board was similarly reorganized. Given extensive new powers the most important relate to schools and social services. The Metropolitan School Board now has the responsibility for financing school construction and operation through the establishment of a Metro-wide tax rate eliminating previous disparities. The Metropolitan Corporation took over full

responsibility for social services, also waste disposal, financing regional libraries etc.

By 1973 it was obvious that "Rep by Pop" was again out of line as major growth continued in the larger Boroughs with population of the City of Toronto remaining relatively constant. In 1974 the Metropolitan Council sought and received an amendment to the Metro Act to effect a change in representation, effective January 1, 1975: City of Toronto - 12; North York - 9; Scarborough - 6; Etobicoke - 5; York - 3 and East York - 2, plus the Chairman of Council, for a total of 38.

A major change was made for the first time in the composition of the Metropolitan Executive Committee, again reflecting the population growth in the large Boroughs: City of Toronto - 4; North York - 3; Scarborough - 2; Etobicoke - 2; York - 1; East York - 1, plus the Chairman of Council who presides, a total of 14.

A change in organization occurred with the dissolution in December 1974 of the Metropolitan Toronto Planning Board. Planning became a Department of the Metropolitan Corporation.

THE FEDERATION IS A PARTNERSHIP

Municipal services are identified as local, Metropolitan or shared in proportion to the extent of involvement of each level of municipal government.

The Metropolitan Council has jurisdiction over matters of common concern to all six municipalities. The Metro government is a partnership formed to provide at wholesale those public works and services which each area municipality could not adequately provide for itself alone: solutions to problems which are metropolitan-wide, or regional, in scope.

Need a heading in a hurry? Most creative types reach for the letraset or other rub down lettering processes. But now you have a choice.

Pay from $5 to $6 for a sheet of letters to transfer onto paper (and sometimes another sheet for caps in the same face), bore yourself or a member of your staff to tears for an hour or so, and end up with a page full of consonants that you'll never use.

Or let Word for Word Inc. set your heads overnight for $1.50 per word. No fuss, no muss and you get photo headings with esthetic kerning from our library of over 2,000 type styles plus signs, symbols, borders and ornaments. Sizes range from 18 to 144 point in most type faces.

photo headings

$1.50 per word

A minimum charge of $7.50 gives you five words in the same face (or five different faces if you want) on two-inch paper strips, waxed or unwaxed, ready for assembly. And you get first generation type so there won't be any loss of definition if you have to adjust the size later on.

Small orders can be phoned in. (It's as easy as ordering a pizza.) Mail orders accepted when accompanied by a purchase order (minimum postage and handling charge $1.00). Or drop in and we'll set it while you wait.

Write or call for our free one line catalogue of over 2,000 type styles. And the next time you have a head to set, call us. We'll set it right for you . . . word for word.

CITY DIRECTORY ADVERTISING IS NATIONAL ADVERTISING

• Each edition of your City Directory is widely distributed to free-reference City Directory Libraries located at the Chambers of Commerce of hundreds of other cities. • Therefore your ad in the City Directory is seen by buyers from coast-to-coast.

Trading overseas?
We've got the connections.

From the Port of Toronto, the industries of Canada's heartland can ship to over 45 countries round the world. 32 shipping lines serve the Port regularly. Modern container-handling facilities, excellent security and first-rate road, rail and pipeline services make this an efficient, low-cost, way of moving goods.

Now, with the opening of the World Trade Centre, Toronto, importers and exporters can call on a whole new range of services. Members receive advice and assistance with market development and location of suppliers and buyers and can call on the resources of over 90 affiliated World Trade Centres around the globe.

Do Not Lend Your CITY DIRECTORY

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definte cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS — BE THEY ONE — OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY — THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS — each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS — each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers — the LESSER the cost to each.

It is also obvious that the LESSER the number of subscribers — the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

IT COSTS YOU MONEY Every Time It Is Loaned

INCLUDING: CITY OF TORONTO AND THE BOROUGHS OF EAST YORK, ETOBICOKE, NORTH YORK, SCARBOROUGH AND YORK

COPYRIGHT, 1979 BY MIGHT DIRECTORIES

In the following list the avenues and streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, with the exception of these streets: Adelaide West, Albany Av., Albion Road, Bayview Ave., Bellamy Rd. North, Boon Av., Borden, Church, Danforth Av., Danforth Rd., Dundas West, Duplex Ave., Eglinton Av. East, Finch Av. West, Front West, Gerrard East, Keele, Kingston Rd., Lake Shore Blvd. West, Lansdowne Av., Leslie, Marlee, Martin Grove Rd., Meadowvale Rd., Mortimer Av., Queen East, Queen West, Queen's Quay East, Roehampton Av., Roselawn Av., Russell Hill Rd., Sackville, St. Clair Av. Av., Warden Av., Wellesley East, Yonge, whose odd numbered listings are shown numerically followed by the even numbered listings, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. The profession or business of individuals or firms is given only at their respective places of business. To find occupations of others refer to Alphabetical List of Names.

The symbol ⓜ following a householder's name indicates that we have received information during the canvas that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

★ Star denotes new householder this edition.

Telephone numbers, where obtainable are shown with street listings.

(This section includes some listings reading "No Return". In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful.

(The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.)

THIS SYMBOL ON ABITIBI PROVINCIAL PAPER GRADES CAN HELP YOUR ENVIRONMENT PROGRAM

You'll find this symbol on Abitibi Provincial skids, rolls and cartons of fine papers which contain a percentage of de-inked recycle fibres.

Traditional costumers are changing their attitudes toward secondary fibres now specify and select papers with de-inked and recycled fibres. At Thorold, Abitibi Provincial buys 35,000 tons of selected waste paper grades annually and it is the first fine paper mill in Canada that de-inks and recycles waste paper.

Environment is everybody's concern. We do not claim hero status but suggest that our Thorold mill's de-inking and recycling process should be part of your environment program.

So specify Abitibi Provincial grades when ordering your supplies of fine paper and send for our brochure "Waste not, Want not" which contains samples of these fine papers and explains the recycling process. Just complete the coupon below and mail it to:
